ATTENDEES: Chris Tanner SMCM
Dudley Lindsey Potomac River Association
Sue Veith SM Co LUGM
Daryl Calvano SMHD
Lindsay Tempinson Citizen
Jon Grimm LSA

FROM: Jon Grimm Loiederman Soltesz Associates,
Inc. (LSA)

DATE: December 2, 2008

SUBJECT: St. Mary's River Watershed
Restoration Action Strategy:
Meeting #6

No agenda; light attendance so Sue Veith reviewed the following:

- 3 component studies posted on the website focus on Water Quality
 - “Conductivity = Salinity”
- Need volunteers to write the other components
 - Sewer – D.F. Ichniowski
 - Septic – Daryl with MDE liaison for shoreline
 - Stormwater Management – John Groeger
 - SAV – Chris Tanner
 - Site Review – Jon Grimm (various studies to be reviewed)
- County Comp plan Update
 - 5% slope mapping to be done
 - “DEM” – digital elevation model
 - Product (GIS) to be posted on the website
- Breton Bay WRAS on Dept. of Natural Resources website
 - Sue is going to send a link (Rocky Rowland-1st Macintosh preserve purchase)
- Bob Lewis is to review the outline and offer task assignments
- Jon reminded the group that Ken Brown, the lead author of the Breton Bay WRAS at the Center for Watershed Protection is an LSA employee

Next meeting: Monday, December 8, 2008 10 a.m. at LUGM

“The above constitutes the writer’s understanding of the events and of any agreements that were made during the meeting. Should any of the attendees wish to offer comments or propose corrections, it is requested that these be submitted in writing, to the undersigned, within five days of the date of these minutes.”
